

Pizza Pictograph Pieces

The pizzas on page one are labels for the bottom of your graphs. The pieces on pages two and three can be used to make individual pictographs. Cut the large pieces on page two into fourths and use the slices to mark each person's choice. For "every pizza" and "no pizza", there are small icons on page three that can be used on the graph spaces.

1

Cheese Pizza

Pepperoni Pizza

Meat and Vegetable Pizza

No Pizza

Every Pizza

Vegetarian Pizza

2
